Dear Capt. Sergeant,

I find that Colonel Fletcher will probably not be in Liverpool this week end, but I enclose a letter addressed to him regarding the case of your son, and suggest you should forward it to Colonel Fletcher together with a covering letter of your own. Colonel Fletcher's address is O/C 3/6th King's (Liverpool) Regiment, Prees Heath Camp, Oswestry.

Yours sincerely,

H. V. V. Jen

Reference your visit to me yesterday, it will be quite in order for your son to sit for the examination in March. He will then be called up for service. Kindly return A.F.W3195 and advise me immediately of the date on which this youth will be free. This is important, please
